STUDEBAKER DRIVERS CLUB, INC.
POLICY & PROCEDURES MANUAL
Approved by the SDC Board 7/12/15

I. INTRODUCTION

1. New York Corporation

A. The Studebaker Drivers Club, (SDC) is incorporated as a not-for-profit corporation under the laws of the State of New York and has adopted a set of Bylaws that govern its operations. New members and new officers should review the Bylaws carefully, as they answer many of the questions that are likely to arise while serving in an elected position. The Bylaws are printed in the *Inside Facts* and the *SDC Handbook*. They are also published on the Club's website, and occasionally appear in *Turning Wheels*. A copy may be obtained from the Chair of the Bylaws Committee.

2. Policy and Procedures Manual

A. SDC has adopted a series of policies and procedures as well, the most important of which appear in this document. These policies are as binding on the operation of the Club as are the Bylaws; however, they differ in that they deal with nuts-and-bolts issues that may require occasional revision. The Bylaws deal with more fundamental issues and are changed relatively infrequently.

B. SDC is an active, vital club that is constantly evolving and growing in order to better serve its membership. This Policy and Procedures Manual is the repository of procedural decisions made by the SDC Board of Directors over time. The purpose of this document is to assist the Board with decision-making by keeping track of past decisions. It is to be kept up to date by the Secretary of the Club.

3. Agent for Service of Process

A. New York state law requires that any club incorporated under the laws of the state must have a resident of the state of New York available for service of process. The SDC Corporate Contact is responsible for accepting the service of any legal documents on the Club and informing the Club President of the receipt of same immediately. Should the person acting as the Corporate Contact move out of the state of New York, he/she must notify the President of that fact and must resign the position. The SDC Board may change the Agent for Service of Process at any time. Currently our Agent is Gary Lindstrom whose address is 52 Kent Rd., Wappingers Falls, NY 12590.

4. Document Retention Policy

A. SDC also has a Document Retention Policy that dictates important documents of the Club be retained. These include the Certificate of Incorporation, Bylaws, Policy & Procedures Manual and minutes of Annual Board Meetings. These documents are stored, per a written agreement, with the Studebaker National Museum. Current contracts are retained by the Secretary. Board minutes should be sent to the stored documents at the end of every year.

II. BYLAWS

1. Most recent version

A. The most recent Bylaws were adopted by the Board of Directors in July of 2013. A current copy of those Bylaws is available on the Club website – studebakerdriversclub.com. They will also be published in *Turning Wheels*.

2. Hierarchy of Importance

A. The Bylaws define the make-up, governance, rights and responsibilities of the Studebaker Drivers Club, Inc. and its members. They also define specific rules that are unique to the Club, and its activities. The Bylaws cannot be suspended and must be adhered to at all times. Should there be a conflict between the Bylaws and the Policy and Procedures Manual, then the Bylaws shall supersede the Policy and Procedures Manual. Should such conflicts be found, the President, or the Board of Directors shall direct the Bylaws, Policy and Procedures Manual Committee Chair to convene the committee, review and make timely written corrective recommendations to the entire Board for action.

3. Robert's Rules of Order

A. The SDC Board of Directors is currently adhering to the rules as stated in Robert's Rules of Order Newly Revised, 11th edition.

III. LOGOS AND TRADEMARKS

1. Use of and Identification

A. SDC retains the sole right to the business or commercial use of its registered trademarks, including its name or emblem. Preservation of SDC logos and trademarks shall be a club priority.

B. No person, organization, or corporation may use the logo, name or emblem of the Club without prior permission from the Board of Directors of SDC, except that a chartered Chapter or individual member in good standing may display any or all of them in order to so identify itself. Chapters or members wishing to use the Club logos on products for sale must first obtain written permission from the Executive Committee (EC) prior to offering those products for sale. Permission may be conveyed by email, a copy of which shall be maintained by the Secretary. A fee may be charged to individuals for use of a trademark. Any unauthorized use of SDC logos or trademarks shall be brought to the attention of the EC to pursue.

C. SDC publishes a pamphlet entitled "*Logo and Trademark Guidelines*". This pamphlet specifies the requirements for using and displaying the SDC logo. These guidelines are to be followed whenever a Chapter or member desires to use or display the SDC logo. The Logo and Trademark Committee shall update this Guide upon request of the President. This pamphlet is available on the Club webpage.

D. Copies of our trademark approvals are in Appendix B.

E. There are four logos in regular use by SDC. Pictures of them are below. Both logos have been trademarked by SDC. The *Turning Wheels* magazine logo has also been trademarked.

- B. Members may advertise in organizational publications, including on SDC electronic websites.
- C. Members may make full use of SDC electronic websites, subject to agreement to following the rules established for those sites. Subject to overall guidance from the Board and/or the EC, the Webmaster shall establish and post guidelines regarding acceptable behavior on the Forum and shall be authorized to appoint Administrator(s) to enforce these rules and edit postings as necessary. Forum Administrators must be members of SDC.
- D. Members have the right to participate in all Club activities, such as International Meets, Zone Meets and local Chapter events.

Any challenge to the actions of the Board shall follow the procedures detailed in the Bylaws, Article III, D.

2. Membership discipline

- A. Article III B of the Bylaws details the rights and privileges of membership in SDC. They address how a member may be disciplined by the Board of Directors. Discipline may be suspension of one's membership or suspension of advertising privileges in Club publications, if so warranted. A member may be disciplined should their conduct of business, vis-à-vis other Club members, or in relationship to advertisements in Club publications, or whose actions at Club sponsored meets is determined to be, by the Board of Directors, detrimental to the Club. Such action shall be taken only after the member has been informed of the charges, and has had an opportunity to be heard. At the discretion of the Board of Directors, such hearing may be a personal hearing or a hearing solely on paper.
- B. Any former member who has been previously expelled from the Club may petition the Board of Directors to be reinstated as a member. The member must submit to the Board, in writing, an explanation of why they should be allowed to become a member. Upon receipt of such a petition the Board of Directors shall, at their earliest opportunity, discuss the petition, consider the reasons the member was expelled initially, how much time has elapsed since their expulsion, the nature of the complaints against the member and the volume of complaints. In addition, the absence of any new complaints about the prospective re-instated member shall also be considered by the Board when deciding whether or not to reinstate a former member. At the Board's discretion, it may conduct a hearing with the petitioner, either in person or on paper, regarding their petition for reinstatement. This procedure shall also be utilized for the reinstatement of a former vendor or advertiser who has been banned from selling at Studebaker meets or advertising in Club publications.

3. Membership Dues

- A. Dues are established by the Board of Directors and published in *Turning Wheels*. An additional fee may be charged for foreign, first class or airmail delivery of *Turning Wheels*.
- B. A lifetime membership was available until 1993. Lifetime memberships in effect before the cutoff date in 1993 will remain valid for the lifetimes of those members and their legal spouses. No further lifetime memberships shall be accepted until such time as the Board of Directors shall amend this section.

C. The Board of Directors, by majority vote, may change the amount of dues, or the imposition of additional fees for all members, and all other matters relating to dues.

D. The Board of Directors may waive yearly dues for certain individuals to be designated as Honorary members. This designation shall be reserved for those who have made significant and enduring contributions to Studebaker and its related marques, or to SDC. The Board shall retain the right to limit the number and length of honorary memberships and shall review those so honored on an annual basis.

4. Special Membership Meetings

A. The Bylaws provide for the calling of a Special Meeting of the membership or a Special Membership vote. (Article III D.) In order for the membership to call a Special Meeting or vote, no less than ten percent (10%) of the total number of members in good standing must petition the President to hold such a meeting. This petition shall consist of a document including the requested action to be taken with places for the requisite signatures below. It may be submitted electronically. Such petition must be submitted to the President and describe the business the petitioners wish to bring before the membership. The petition must designate one or more of its signers who agree to be responsible for the cost of mailing notices of the meeting or ballots if the Board of Directors does not approve it being borne by SDC.

B. The Secretary shall, upon receipt of a petition, verify the current membership status of the signees and, if they meet the requisite ten percent 10% of current membership, shall promptly give notice of such meeting. The location of the meeting shall be determined by the President with input from the petitioners. Notice of a special meeting or special membership vote shall be published in the *Turning Wheels* magazine at least sixty (60) days prior to any Special Meeting or special vote. Ballots for any special vote shall be delivered to the membership along with their *Turning Wheels* in the issue in which the notice is provided. The President, in consultation with the petitioners, shall set a deadline for voting.

C. Notice of a Special Meeting or Special Vote must give the date, hour, and place of the meeting, or a statement noting that the vote will be by mail or electronic vote. The notice shall include the petition, if any, related to the business to be transacted. No business may be transacted at a special meeting unless announced in the notice of the meeting.

V. ELECTIONS

1. Election of Directors/Zone Coordinators/Regional Managers

A. The United States and Canada are partitioned into nine (9) Zones. A single International Zone will represent SDC members in all other countries. Each Zone elects one Zone Director and one Zone Coordinator. A zone for administrative purposes may be further divided into Regions, each of which may elect a Regional Manager.

B. Elections will be held in alternate years. Each year approximately half of the Zones, as determined by the Board of Directors, will elect a National Director and a Zone Coordinator. The remaining Zones will elect Regional Managers in that year. The following year the remaining Zones will hold elections for the corresponding positions. Directors, Zone Coordinators and Regional Managers shall each serve two-year terms, starting April 15. Term limits, as detailed in the Bylaws apply to the Directors terms, but not the Zone Coordinators nor the Regional Managers. The Board decided, on July 1, 2013, that those Directors that would be termed out by the new term limits can run one more time. This clause will not be in effect after the April 2014 elections.

- C. Members in good standing are eligible to serve as, and/or vote for Director, Zone Coordinator, and Regional Manager only in the Zone and Region in which they reside for at least seven (7) months of the year.
- D. The Vice President serves as coordinator for the elections for National Director, Zone Coordinator, and Regional Manager and she/he may have an assistant coordinator if she/he chooses. Each year, the Vice President will prepare a notice of the election (Call for Nominations) and a request for nominations for publication in *Turning Wheels*. This notice must be ready by either July 1 or in time to be printed in the September and October issue of *Turning Wheels*. The format of this announcement can be virtually identical from year to year.
- E. Any member may make nominations for his/her own Zone or Region. November 1st of each year will generally be the deadline for nominations to be received by the Vice President.
- F. Nominations are not valid until the nominee submits a written statement of acceptance to the Vice President. Write-in candidates are not permitted. All nominees' membership status will be verified by the Vice President. Should the Vice President lack nominations for certain positions it may be necessary to call incumbents to verify their desires to run or request suggested alternative candidates.
- G. The Vice President will forward the list of nominees to *Turning Wheels* by December 1st of each year. Candidate biographical statements should be submitted by then also. The list will then be printed in the February *Turning Wheels*, along with a ballot to be either copied and mailed to the Vice President or filled out and scanned and then sent to the Vice President. Should a candidate have no opposition then they will be declared the winner on April 15th by acclamation. All ballots shall be checked for current membership status before being counted. April 1st will be the deadline for ballots to be accepted. Ballots submitted to the Vice President must contain the printed name, address and signature of the member voting. All ballots must also contain the name of the candidate and office being filled. Legal spouses may send their two votes on one ballot, as long as both sign it. The ballots must be preserved and made available for inspection at the next Board and Annual Membership Meetings. The ballots may be destroyed after these two meetings are over.
- H. Should the Vice President decide to do so, the electronic balloting may begin anytime after the nominations have been posted in *Turning Wheels* by placing the ballots on the Club webpage. It is suggested that each candidate submit a candidate's statement and a photo to accompany the ballots so the membership can become familiar with the candidates. These statements should be submitted to the Vice President no later than December 1st so they may, in turn, be submitted to the webmaster in a timely manner. It is recommended that a statement from the Vice President accompany the ballots and the candidates' statements explaining the balloting process.
- I. The candidate receiving the most votes wins each election. If a tie occurs, the President will appoint one of the tied candidates as winner. If one tied candidate is the incumbent, the incumbent will be reappointed.
- J. If no nominations are received for an office, after April 1st the President may appoint someone or leave the office vacant. If only one nomination is received, the President may appoint that person without holding an election.
- K. Candidates running for the office of National Director, Zone Coordinator or Regional Manager may not solicit votes by sending out unofficial ballots to constituents. Only official SDC ballots will be accepted. However, candidates may provide flyers for the Chapter newsletters or for individual mailings to the membership. Any mailings that are to go to individual members must be approved by the Vice President prior to mailing.

2. Special elections

- A. Should a Director resign and neither the Zone Coordinator nor the Regional Manager(s) are able or willing to become the Zone Director, the President shall appoint an alternate Director until the next election is held.
- B. Should the membership in a Zone feel that their Director needs to be replaced prior to a scheduled election period a Special Election may be conducted. In order for such an election to take place no less than twenty five percent (25%) of the members in the affected Zone must petition the President for such an election to take place. Said petition must state the grounds for the Special Election and must designate one or more of its signers who agree to be responsible for the cost of mailing notices of the ballots if the Board of Directors does not approve its being borne by SDC. Such an election will be conducted by the Vice President in a manner similar to the regular elections. Nominations will be gathered via a notice in *Turning Wheels* and on the Forum. Candidates names will be placed on a ballot to be distributed via *Turning Wheels* and/or on the Club webpage directed to the members in the affected Zone. Members shall have thirty (30) days to respond with their ballots.
- C. Special elections should not be considered lightly. Potential grounds for an election to remove a Director prior to the regular election cycle shall include a failure, on the part of the Director, to attend at least seventy five percent (75%) of the scheduled Board meetings; engaging in conduct unbecoming a Director of SDC; criminal indictment for a crime of moral turpitude; or repeated disruptive behavior at Board meetings.

3. Election of Officers

- A. See the Bylaws for elections of Officers. The President, Vice President, Secretary and Treasurer are elected by the Board of Directors for two-year terms at the International Meet, and are not elected directly by the membership.

VI. DUTIES OF DIRECTORS

1. Knowledgeable and Discreet

- A. Directors set policy for the Club and are often the face of SDC to its members. As such, they must be knowledgeable about the workings of the Club, its history and its activities. He/she must be familiar with the Bylaws and have read the Policy and Procedures Manual. A Director must also be discreet. Communications between Board members should not be shared outside the Board and the interests of the Club must be paramount in all Directors activities.

2. Participation

- A. A director must attend seventy five percent (75%) of scheduled Board meetings. Failure to do so may open a Director up to censure by the Board. Every effort must be made to attend the annual meeting at the International Meet. If a Director cannot attend a meeting it is their responsibility to provide an alternate to attend in their stead. First choice should be the Zone Coordinator in the Zone. Should the Zone Coordinator not be able to attend a Regional Manager should be considered. Should a Director find that they are unwilling to or unable to attend seventy five percent (75%) of the scheduled Board meetings, the Director must seriously consider resigning and having the Zone Coordinator take their place on the Board.

- B. A Director should also attend those meetings at the annual meet that put them in contact with their constituents, such as the Chapter Presidents meeting.
- C. In order to adequately represent their Zone, a Director should reside in their Zone at least seven (7) months of the year.

3. Conflicts of Interest

A. A Director must not vote upon or discuss Board matters in which he/she has a Conflict of Interest. SDC has a written Conflict of Interest policy which every director will be asked to sign at the annual meeting. If no annual meeting is held a Director will be asked to sign the document when asked to do so by the President, and no less than annually. It requires a Director to divulge any perceived conflict he/she may have with respect to SDC business and to agree to not participate in the discussions or voting on issues in which he/she has an interest. A Director must be familiar with New York Law regarding Conflicts of Interests. New York Law section 715 is copied at the end of this document. (See Section XXII below for more information.)

4. Contact with ZC and membership

A. A Director is expected to be personable, communicative and knowledgeable about his or her Zone. A Director should maintain contact with the Zone Coordinator in their Zone and make every effort to visit the various Chapters in their Zone and attend Zone Meets in the Zone when possible.

B. A Director should consider their Zone Coordinator as a “Director in Training”. As such, they should make every effort to work with the Zone Coordinator to help develop the membership base, support the Chapters and find ways to encourage membership in local Chapters.

C. A Director is expected to go on to the Forum regularly in order to gain an understanding of what the members are discussing. Directors are not required to post on the Forum, but are expected to be aware of the threads that exist thereon. Each Director should also monitor the Zone Forum pages for their respective Zone on the Forum.

5. Membership development

A. Membership in a Zone should also be a concern of a Director. Is my zone membership increasing? If not, a Director should work with the Zone Coordinator and Regional Manager(s) to devise outreach programs to encourage membership growth.

Should the amendment be adopted it shall then be incorporated into the text of the Bylaws. The Secretary shall keep chair of the Bylaws/Policy and Procedures Manual Committee aware of any changes to the Bylaws or the Policy and Procedure Manual who shall, in turn, update them promptly. Should a major overhaul be required, the Bylaw/Policy and Procedure Manual Committee would be charged with this undertaking.

8. Minnie Barnes and Harry Barnes Awards Selection Committee

A. The President shall appoint at least three members to review the nominees and select winners each year for the Minnie Barnes and Harry Barnes Awards. The awards will be presented at the annual awards banquet. The Minnie Barnes award will be presented to the SDC Chapter that is determined to have performed outstanding acts of service to the community. The Harry Barnes award will be presented to a member or couple who have demonstrated significant service to their local Chapter or to SDC. It is recognition for going far above and beyond what is generally expected of members and may take the form of attracting new members, forming new Chapters, continually helping other members, community service, etc. Often more than one person is deemed worthy of this sort of recognition. Accordingly, the Committee may award "Service Awards" to those additional members found to be deserving of recognition. The Nominating Committee shall yearly post a notice asking for nominations for these awards. Nominations are sent to the committee chair or his/her designated assistant by an announced cutoff date. The

committee selects the winner and is not compelled to name a winner if no nominees are judged worthy. Only one award will be presented yearly. The accomplishments resulting in the award will be described when the presentation is made at the awards banquet. The current chair is Don Cox. His email is studebaker_don@yahoo.com.

4. Arbiter

A. The Arbiter is essentially a mediator. The Arbiter investigates complaints regarding disputes arising out of advertising placed in *Turning Wheels*. After consulting with all parties involved the Arbiter shall make suggestions to the parties toward achieving resolution of the dispute. Should any or all parties refuse to make restitution to the other's satisfaction, the issue will be turned over to the Board of Directors with a recommendation of suspension of advertising and/or membership privileges. The current Arbiter is Bob Halgren. His email is bobhalgren@hotmail.com.

5. SDC Trademark Protection

A. The person in charge of trademark protection has the following responsibilities:

7. Club Historical Documents

- A. SDC has an agreement with the Studebaker National Museum to store documents that are deemed important to the maintenance of SDC's history. A copy of that agreement is kept by the Secretary. For example, copies of the current and past bylaws (for the last 10 years) and the Policy and Procedures Manual are kept, along with contracts. In addition, tax documents, accounting records and audits are also maintained.
- B. Current Officers and current Directors may access these documents. Current members may also access them once they obtain written permission from the current President or their current Director. Any cost incurred to retrieve documents will be paid by the member, unless the current President agrees that SDC shall cover it.

XIII. PUBLICATIONS

- A. Realizing the need and importance of an avenue of national and international communication, SDC will distribute periodically a publication called *Turning Wheels, the Studebaker Drivers Club Bulletin*, which will contain information to further the purposes of the Club as outlined in the Bylaws. The bulletin will be issued on a regular basis at least four (4) times a year and will be sent to each current member in good standing. Family memberships consisting of legally recognized spouses making only one dues payment between them will receive only one copy of the Bulletin.
- B. The Editors, Publisher, Printer, Co-operator Editor, and other contributors, whether paid or unpaid, to *Turning Wheels, the SDC Roster, Glovebox Guide, Inside Facts, Parts & Services Directory*, or any other official publication of the SDC, are specifically included in the indemnification under Article VII of the SDC Bylaws from any lawsuits that may be filed against any of them resulting directly or indirectly from anything that was printed in any SDC publication, or from any lawsuits

resulting from claims arising from disputes involving advertisements printed in these publications.

XIV. INVESTMENT POLICY

A. Investment Objectives: The primary objective of the Investment Account is to help provide funds for the present and future expenses of the Studebaker Drivers Club. This shall be primarily accomplished through growth of capital and safety of funds invested. XV. SDC ADVERTISING POLICIES

1. General:

A. SDC expects the highest quality customer service from all who do business with its members through advertising in *Turning Wheels* and on the SDC website. Included in this policy are the following requirements:

2. Acceptance/Conditions:

A. All advertising is subject to approval. Publication of submitted advertising constitutes acceptance by SDC. SDC and *Turning Wheels* reserve the right to refuse any advertisement for any reason such as suitability, unresolved complaints against the advertiser or without cause. In consideration of the publication of any advertisement, the advertiser/vendor and/or agency shall indemnify, defend and save *Turning Wheels* and SDC harmless from and against any loss or expense (including attorney's fees) arising out of that publication, including, without limitation, any loss or expense resulting from a claim or suit for libel, invasion of privacy or copyright infringement, or any other claim based on the content of subject matter of the advertisement. All advertisements must be for Studebaker vehicles or Studebaker-related items. Cancelled ads will not be refunded.

B. All classified copy must be submitted in writing by regular mail, fax or e-mail. Use the TW Classified Ad Form in *Turning Wheels*. Advertisers are responsible for checking their ad copy immediately following publication. SDC is not responsible for incorrect copy beyond providing one corrected copy.

3. Quality Assurance:

A. All items advertised will be described to indicate the quality of the item and whether it is new, reproduced, reprinted or used. Advertising submitted must not, in any way, be misleading or deceptive.

4. Integrity:

A. All advertisers/vendors must truthfully represent their product and must have the item(s) advertised in stock and be able to deliver said item(s) to the purchaser when ordered. Custom-made products are to be produced within a time frame mutually agreeable to both the advertiser or vendor and the customer.

5. Non-U.S. Buyers:

A. U. S. vendors expect payment in U.S. dollars unless otherwise stated. Buyers must ensure the remittance is in an acceptable form. When goods are shipped, customers will likely be charged customs duties, taxes, and currency exchange. Additionally, many non—bonded courier companies charge brokerage fees. Ask the vendor to use a bonded carrier such as FedEx to avoid such fees. Know what the final cost is in advance.

6. Customer Service:

A. Response to a customer complaint of any kind is to be accomplished in a timely manner, not to exceed 30 days. Unresolved complaints should then be submitted to the Arbiter – *Turning Wheels* Advertising Complaints for resolution.

7. Suspension of Advertising privileges:

A. SDC reserves the right to suspend the advertising privileges of any advertiser/vendor who does not follow the aforementioned *Turning Wheels* Advertising Policy. The Board of Directors may suspend the advertising privileges in Club publications of any member upon the recommendation of the Arbiter. The primary complaint against the vendor must be the direct result of a problem with an item or service that was advertised in *Turning Wheels*. The Board will establish conditions for which these advertising privileges may be reinstated. The Arbiter, along with the SDC President, may reinstate advertising privileges when they feel the criteria set up by the Board have been met. Such reinstatement will be reported to the Board of Directors. Such action shall be taken only after the member has been informed of the charges, and has had an opportunity to be heard. At the discretion of the Board of Directors, such hearing may be a personal hearing or one based solely on paper documentation.

B. Any former advertiser/vendor who has been previously banned from advertising in *Turning Wheels* may petition the Board of Directors to be allowed to resume advertising in *Turning Wheels*. The advertiser/vendor must submit to the Board, in writing, an explanation of why they should be allowed to resume marketing their goods to SDC members. Upon receipt of such a petition the Board of Directors shall, at their earliest opportunity, discuss the petition, consider the reasons the advertiser/vendor was banned initially, how much time has elapsed since their ban, the nature of the complaints against the advertiser/vendor and the volume of complaints. In addition, the absence of any new complaints about the prospective reinstated advertiser/vendor shall also be considered by the Board when deciding whether or not to reinstate their marketing privileges. At the Boards' discretion, it may conduct a hearing with the petitioner, either in person or on paper, regarding their petition for reinstatement. (See also Section IV.2.)

XVI. CLUB STORE AT THE NATIONAL MUSEUM

A. SDC has entered into a licensing agreement with the Studebaker National Museum to operate as the Club Store. As such, SDC has granted the Museum the right to market products bearing trademarked logos of SDC. A copy of that agreement is maintained by the Secretary.

XVII. SDC INTERNATIONAL MEETS/ZONE MEETS

1. International Meets

A. SDC will sponsor an International Meet (IM) each year. SDC will govern and will be financially responsible for the organization and execution of the International Meet. This includes hotel, food and tour guarantees that are accepted by the International Meet Committee.

B. The host Chapter or Chapters within whose area the International Meet is to take place will be expected to assist and cooperate with SDC on the coordination, planning, and execution of the International Meet. (See IM Meet Guide - Appendix A.) Host Chapters may use a management company to perform some of their responsibilities or they may execute these responsibilities with their own resources. Any management company contract must be approved by the IM Committee and signed by the SDC President and IM Committee Chair.

C. The location of the International Meet will be designated by the Board of Directors at least two years in advance of the meet date.

D. Host Chapters are guaranteed a profit of at least \$5000 for hosting an International Meet, providing that the IM Policy Guidelines and directives from the IM Committee are followed. Chapter memorabilia purchases and sales are not included in this profit figure and are not guaranteed by SDC.

2. Zone Meets

A. SDC may sponsor at least one Zone Meet in each Zone every year. Selection of a group to conduct a Zone Meet will be confirmed by the Zone Coordinator in each Zone at least one year in advance of the meet date. The Zone Coordinator shall look for and resolve any scheduling conflicts. Policies for the organization and conduct of Zone Meets are established by the Board.

XVIII. LOCAL GROUPS

1. Relation of Chapters to SDC

A. Any local group, whether active previously or recognized after the adoption of these provisions, that identifies itself with SDC thereby agrees to conform to the provisions of Bylaws of SDC and any decisions by the SDC Board of Directors.

B. The Chair of the SDC Chapter Information and Chartering Committee is responsible for preparing and maintaining a list of all local groups with SDC, including Chapter name and permanent mailing address. The list will be printed periodically in *Turning Wheels* and will become the official list of local groups recognized by SDC.

2. Chapter Charters

A. Any group of SDC members in good standing may apply for a charter as a Chapter of SDC. Chartering of all groups must be approved by the SDC Chapter Information and Chartering Committee.

B. The SDC Chapter Information and Chartering Committee will consist of: the SDC President and Vice President, the Board Member, Zone Coordinator, and Regional Manager representing the Zone and Region where the prospective Chapter is located, and the Chair of the Committee. Any unresolved matters related to chartering may be submitted to the SDC Board of Directors for review and resolution.

C. Local Chapters provide many services and opportunities for SDC members. Sometimes a Chapter grows too large and wants to split into two or more commonly, a region desires to start a new Chapter. In either case the proposed new Chapter must work with the Chair of the Chapter Chartering Committee to get approval, new bylaws, etc. The current Chapter Charter Chair is Leigh Morris. His email is studebaker55@casscomm.com.

In order to become a new Chapter the local group must take the following steps:

1. Contact the Chair of the Chapter Information and Chartering Committee who will provide the necessary information, including a petition to organize and sample bylaws.
2. A new Chapter must have:
 - a. A minimum of five members who are SDC members in good standing;
 - b. A name for the Chapter; and
 - c. Submit a proposed set of bylaws governing its operations.

Specifically, these bylaws must state:

1. That the local group agrees to conform to the provisions of the SDC

- Bylaws, which take precedence in the event of any conflict, and that they will abide by the decisions of the SDC Board.
2. That the local group assumes all responsibility, financial and otherwise, for any activities it conducts.
 3. That only members of SDC will be accepted as members of the local group and the Chapter will submit a membership list if requested. Overseas Chapters are not required to have all members join SDC so long as a minimum of three of their officers are members of SDC.
 4. That any applications or dues received by the local group for SDC membership will be promptly forwarded the SDC Membership Secretary.
- D. When the Chair receives a request regarding the formation of a new Chapter, the Chair will notify the appropriate Board member and Zone Coordinator. The Regional Manager shall contact any Clubs within the state of the proposed Chapter to ascertain whether the formation of a new Chapter would adversely impact an existing Chapter. The Regional Manager will report any opposition to the formation of the new Chapter to the committee.
- E. Throughout the process, the Chair will make himself available to the Chapter to provide assistance and advice.
- F. The Chapter will then submit a Petition to Charter, which includes the bylaws, officers and membership listing.
- G. After reviewing the material, the Chair will submit it for a vote to the committee.
- H. If the committee approves the application the Chair shall forward the charter to the Secretary and the President of SDC for signatures. Once those signatures have been obtained the Chair may issue the charter to the new Chapter.
- I. Subsequent to chartering the Chair may have the fact of chartering published in *Turning Wheels* to advise the membership of the existence of the new Chapter.
- J. Chartered local groups will be known as Chapters.
- K. To remain active, SDC Chapters must have at least five (5) members (including the officers). The Regional Manager will report to the Zone Coordinator if membership in a Chapter falls below five members.
- L. Recognition of the charter of a local group may be suspended or revoked for cause by the Board of Directors. Such action will be taken only after the officers or members of the group have been notified of the reasons for such action and have had an opportunity to respond. Revocation or suspension of a Chapter charter does not affect any individual's rights as a member of SDC.
- M. SDC will reimburse Chapters up to \$50 yearly for the expense to advertise the Chapter in local publications in order to attract new members. Chapters need only submit a request for reimbursement to the Treasurer.
- N. Local Chapters agree to amend their bylaws should SDC direct them to do so.
- O. In order to merge with another Chapter or to dissolve a Chapter the membership must vote to do so. They must also vote on what to do with Chapter assets. Options for distribution of assets include, but are not limited to, sending all funds to SDC, donate them to the Studebaker Foundation or the Studebaker National Museum or a charity of the members' choice. If a Club is merging with another then the dissolving Club may merge its funds with the new parent Club. Upon dissolution copies of resolutions voted upon shall be sent to the Chartering Chair.

3. Foreign Chapters

A. Any group of five or more SDC members outside of the United States and Canada may apply for a charter as a Foreign Chapter of SDC. Such a group may be one formed specifically to be a SDC Chapter, a previously existing Studebaker organization, or a Studebaker-interest section of a new or existing organization.

B. The group shall apply for a SDC charter using the same process as a U.S. or Canadian group, through the Chapter Information and Chartering Committee. A copy of the group's bylaws shall be submitted with the petition; an English version is preferred. The petition shall state the name under which the new Chapter wishes to be known in the SDC structure. SDC recognizes that this name may differ from the group's official name in its home country.

C. Because SDC recognizes the challenge of greater distances, possible language differences and the need for stronger local control, the requirement of 100% SDC membership in a chartered Foreign Chapter is waived. However, the five petitioners shall be SDC members and the Chapter shall maintain a nucleus of at least five SDC members to qualify for continuation of its charter.

D. A Foreign Chapter agrees to conform to the provisions of the SDC bylaws, which take precedence in the event of any conflict. The Chapter has all responsibility, financial and otherwise, for any activities it conducts, and any applications or dues received by the Chapter for SDC will be promptly forwarded. Chapters outside the United States and Canada are not covered by any liability policies the SDC may obtain to cover its operations.

4. Special Clubs and Groups

A. Special Club or Group is a local, regional, national or international group composed of SDC members in good standing who have a special interest or focus.

B. A Special Club or Group may apply for a Special Club or Group Charter from SDC. Applications should be sent to the Chair of the Chapter Chartering Committee and must be approved by the Chair, the SDC President and the SDC Vice President.

C. The SDC President will appoint a member of the SDC Board of Directors to serve as liaison to each Special Club or Group. The Board representative should be an individual with an interest in and knowledge of the Special Club or Group.

D. To create a Special Club or Group, the group petitioning for a charter must submit a proposed set of Bylaws governing its operations. Specifically, the Special Club's or Group's Bylaws must state:

1. The Special Club or Group agrees to conform to and abide by all of the provisions of the SDC Bylaws, which take precedence in the event of any conflict, and that it will abide by all decisions of the SDC Board of Directors; and,
2. The Special Club or Group assumes all responsibility, financial and otherwise, for any and all of its activities; and,
3. Only members of SDC will be accepted as members of the Special Club or Group; and,
4. Any applications or dues received by the Special Club or Group for SDC membership will be promptly forwarded to the SDC Membership Secretary.

E. A Special Club or Group is not required to hold public events or sponsor SDC meets; however, a Special Club or Group may hold public events and may submit an application to sponsor an SDC Meet.

F. A Special Club or Group may, but is not required to, publish a newsletter.

G. In order to maintain its charter, a Special Club or Group must have at least five (5) SDC members (including officers). The responsible SDC Board member will report to the President in the event membership of a Special Club or Group falls below five (5) members.

H. Recognition of a charter of a Special Club or Group may be suspended or revoked for cause by the Board of Directors. Such action will be taken only after the officers or members of the group have been notified of the reasons for such action, and have been given opportunity to respond. In no case will the revocation or suspension of a charter have any effect on any individual Special Club or Group member's rights as a member of SDC.

XIX. EXPENSES AND REIMBURSEMENTS

A. The SDC Bylaws permit the Board to reimburse an officer for any expenses (phone, postage, etc.) incurred in conducting SDC business. The Board shall authorize such reimbursements to committee members and other members incurring expenses while performing Board - approved SDC business, as long as the amounts appear to be reasonable and prudent expenditures of Club resources. Inclusion of such expenses in a Board - approved budget constitutes advance approval of the amounts specified.

XX. SDC INSURANCE COVERAGE

1. Events/Meets

A. Current coverage for meet or event insurance is \$3,000,000 and is provided to Chapters at no cost.

B. Any SDC Chapter that hosts an event or meet and needs an Insurance Certificate should submit the SDC Insurance Form from the website to the current Treasurer.

C. Chapter Officer's liability insurance is separate insurance that covers all elected and appointed officers. This officer's liability insurance policy is set up by SDC and premiums for the Chapters are paid for by SDC.

D. This insurance coverage must be requested each year in June. Coverage requires that the Chapter send in a current list of officers, all of whom must be members of SDC.

XXI. JUDGING POLICIES

A. The purpose of judging is:

1. To have fun driving and showing our Studebakers;
2. To honor and award owners for their labor of love and valued ownership;
3. To benchmark and promote proper restoration, authenticity, and preservation;
and,
4. To continue our Studebaker legacy.

B. Current judging policies may be found on the SDC web page located at www.studebakerdriversclub/judging in the pamphlet entitled "**SDC Judging Policy Manual**".

XXII. CONFLICTS OF INTEREST

A. It is SDC policy to maintain credibility and confidence in the decisions of the Board of Directors, committee members, consultants and staff members; assure fairness and impartiality in decision-making; disclose real or perceived conflicts of interest; and act impartially and avoid the appearance of impropriety.

B. Service as a SDC Board Member, Officer, or alternate Board member, committee member, consultant, or staff member may create situations that could result in conflicts of interest, either real or perceived. SDC expects all such individuals to behave in a professional and ethical manner, to disclose real or perceived conflicts of interest, and to excuse themselves from discussions or decisions related to real or perceived conflicts of interest.

- C. Individuals representing SDC must not participate in any decision-making capacity if they have or have had a close, active association with an organization that is being considered for official action by SDC. Close, active association includes, but is not limited to: current or past employment by the organization; current or past discussion or negotiation of employment with the organization; an organization where a close family member is a contractor; or an unpaid official relationship with an organization, e.g. membership on the institution's Board of Trustees or an industry advisory Board.
- D. Each Board member will be required to sign a disclosure form detailing any conflicts, real or perceived, at the Annual meeting of the Board of Directors. The Secretary shall keep those forms until they are updated each year.
- E. All individuals representing SDC must sign a conflict-of-interest statement indicating that they have read and understand these policies. Should any individual refuse to acknowledge a real or perceived conflict of interest and insist on acting or voting on an issue, the Board, with a 2/3 majority may vote to nullify such action or vote.
- F. Contractors, members of contractor's immediate families, and members of the Board are prohibited from accepting gifts, money or gratuities (other than small promotional items such as T-shirts, caps, calendars, hors d'oeuvres etc. with a value under \$25.00), from any person or entity who contracts with SDC, seeks to contract with SDC, or has a business relationship with SDC.
- G. Any member of the SDC Board, and any Committee or staff member who is an officer, Board member, committee member, or staff member of any organization that seeks to contract with the SDC will identify his or her affiliation with such organization. He/she will not participate in nor vote on any decisions affecting that organization.
- H. Any member of the SDC Board, and any Committee or staff member of SDC will refrain from obtaining any list of SDC membership for personal or private solicitation purposes at any time during the term of their affiliation. During SDC elections, candidates for elections to unpaid offices may consult the roster listing to determine the eligible voters in their Zone or region, so long as there is no monetary interest in the office sought.
- I. New York Not for Profit Law re Conflicts of Interest

Section 715. Interested directors and officers.

(a) No contract or other transaction between a corporation and one or more of its directors or officers, or between a corporation and any other corporation, firm, association or other entity in which one or more of its directors or officers are directors or officers, or have a substantial financial interest, shall be either void or voidable for this reason alone or by reason alone that such director or directors or officer or officers are present at the meeting of the board, or of a committee thereof, which authorizes such contract or transaction, or that his or their votes are counted for such purpose:

- (1) If the material facts as to such director's or officer's interest in such contract or transaction and as to any such common directorship, officership or financial interest are disclosed in good faith or known to the board or committee, and the board or committee authorizes such contract or transaction by a vote sufficient for such purpose without counting the vote or votes of such interested director or officer; or
- (2) If the material facts as to such director's or officer's interest in such contract or transaction and as to any such common directorship, officership or financial interest are disclosed in good faith or known to the members entitled to vote thereon, if any, and such contract or

transaction is authorized by vote of such members.

(b) If such good faith disclosure of the material facts as to the director's or officer's interest in the contract or transaction and as to any such common directorship, officership or financial interest, is made to the directors or members, or known to the board or committee or members authorizing such contract or transaction, as provided in paragraph (a), the contract or transaction may not be avoided by the corporation for the reasons set forth in paragraph (a). If there was no such disclosure or knowledge, or if the vote of such interested director or officer was necessary for the authorization of such contract or transaction at a meeting of the board or committee at which it was authorized, the corporation may avoid the contract or transaction unless the party or parties thereto shall establish affirmatively that the contract or transaction was fair and reasonable as to the corporation at the time it was authorized by the board, a committee or the members.

(c) Common or interested directors may be counted in determining the presence of a quorum at a meeting of the board or of a committee which authorizes such contract or transaction.
